

*A Healthy*

*Body*

What are some  
characteristics of  
a **healthy** church?

*Determination*

to please God

Do we please

**God** or **man**?

What is our  
**focus?**

- The **largest** attendance?
- The **most appealing** building?
- Or to **please God**?

What

does

**man**

think?

What

does

**God**

think?

- **Sardis** (Revelation 3:1)
- **Laodicea** (Revelation 3:17)
- **Smyrna** (Revelation 2:8)

*Concern* for  
the *lost*

Don't confuse  
*cause* and *effect*

We must start with  
a deep and real  
concern for souls

God doesn't  
want us to just

*look busy*

God wants us

to *be busy*

*Spiritual growth*  
on the part of  
every person

No one is  
without  
weakness

But **everyone**  
must be trying  
to **grow**

If we are **alive**

we must be

**growing**

*Grow* in grace  
and knowledge

*Press on*

Where does **this**  
**congregation**  
stand before **God**?

Where do **you**  
**personally** stand  
before **God**?
